

Advanced Leader Series-Advanced or Seasoned Leaders

Courses in this category are designed to enhance and leverage the skills of highly accomplished, experienced leaders, who want to apply their talents to enhance the service of their agency. Participants should be in positions where they can drive change in organization and should be enthusiastic about giving and receiving feedback. Typical levels of attendance would be Bureau Chief, Division Administrators, and Director level positions, but all seasoned leaders are invited to participate. The classes in this category are:

- Leading Through Change ✨
- Managing Conflict and Resistance in the Workplace
- Project Management
- Strategic Planning and Systems Thinking ✨
- The Servant Leader ✨

New Courses for 2014-2015
